

Château de Colombières sur Orb

TEAM BUILDING IN THE SOUTH OF FRANCE

Work it out away from work

Work it out away from work and bring your team to the South of France.

The Château of Colombières sur Orb has established some very comfortable accommodation and conference facilities which will enable you and your

colleagues to meet and relax in one of

France's most beautiful regions. Your team will have the exclusive use of the Château's accommodation, we will tailor make a package based on the time that you have spare and the way you wish to spend it.

The Château de Colombières sur Orb is

within an easy drive of the cities of Montpellier and Béziers close to the Mediterranean and just a four hour journey from Stansted Airport and little more from the city of Cambridge.

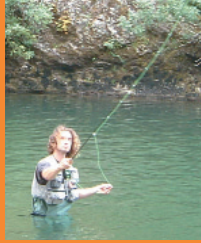

To enable your executives to relax between sessions or to develop their leisure interests during a spare hour or two, the Château's own professionally qualified fishing guide Sébastien is on hand to take you for some river and lake fishing.

The accommodation offers de-luxe apartments either self catering or with full board. All are equipped with hi-fi, DVD and satellite TV. For the warmer days there is a large swimming pool for the exclusive use of guests.

Golf is to be found just ten minutes away plus some of the best hill walking in the southern foothills of the Cevennes. The Château is also surrounded by AOC vineyards with wine tasting on demand.

Limoux to the south is the home of the local bubbly and itself is just over half an hour from the hilltop village of Rennes le Château source of Dan Browns Da Vinci code inspiration.

The nearby cities of Béziers, Montpellier and Carcassone close to the Canal du Midi do provide a break with a difference and for anyone interested in history the Château sits on the northern end of the Cathar region.

We can offer a short or long weekends and for anyone wishing to extend their stay after completing their management event, then we can offer tips and advice on the local scene.

Your team's stay at the Château will be designed around your travel plans and the time that you have to spend with us.

An example of a typical programme which could be a long weekend or mid week stay.

Day One Thursday or Monday

Mid afternoon departure from Stansted Airport.
Early evening arrival at Montpellier.
Transfer by car or mini bus to the Château.
Welcome aperitif followed by dinner at the Château.

Day Two Friday or Tuesday

Breakfast served in the Château reception.
Morning and afternoon management programme.
Evening Wine Tasting.
Dinner at the Château.

Day Three Saturday or Wednesday

Breakfast served in the Château reception.
Morning and afternoon management programme.
Mini cookery course followed by dinner at the Château.

Day Four Sunday or Thursday

Finalisation of team programme or guided visit to Sète, the villages and towns around Pézenas, and the oyster lagoon of Thau.

Late afternoon check in at Montpellier airport.
Mid evening arrival back at Stansted Airport.

The Château is the starting point of some excellent hill walking, vineyard tours, plus river and lake fishing. These options can be added to your programme.

For anyone wishing to plan a management course, conference or similar, we suggest that you contact our Château Manager; Chris Elliott, who will talk you through the facilities, options and price structures etc.

If you can spare 24 hours, then it is possible to fly to Montpellier mid afternoon and return the following day all by Ryanair from Stansted. We can collect you from Montpellier airport and then show you not only the onsite facilities but give you a whirlwind tour of what's on offer.

Recent management teams have included:

The French Post Office

The Australian Fitness Group
from Brisbane, Australia

The Slow Food Organisation
with the opening conference organised for

The CERN Group of International
Management Project Consultants
